§ 73-11-51. Examination of applicants for license; qualifications; fees; reciprocity; renewal of license; license not assignable or valid for any person other than licensee; exemption for students enrolled in accredited funeral service technology or mortuary science programs [Repealed effective July 1, 2029].

(1) No person shall engage in the business or practice of funeral service, including embalming, and/or funeral directing or hold himself out as transacting or practicing or being entitled to transact or practice funeral service, including embalming, and/or funeral directing in this state unless duly licensed under the provisions of this chapter.

(2) The board is authorized and empowered to examine applicants for licenses for the practice of funeral service and funeral directing and shall issue the proper license to those

377 persons who successfully pass the applicable examination and otherwise comply with the
378 provisions of this chapter.

379 **(3)** To be licensed for the practice of funeral directing under this chapter, a person must
380 furnish satisfactory evidence to the board that he or she:

381 **(a)** Is at least eighteen (18) years of age;

382 **(b)** Has a high school diploma or the equivalent thereof;

383 **(c)** Has served as a resident trainee for not less than twelve (12) months under the
384 supervision of a person licensed for the practice of funeral service or funeral directing in this
385 state;

386 **(d)** Has successfully passed a written and/or oral examination as prepared or approved by
387 the board; and

388 **(e)** Is of good moral character.

389 **(4)** To be licensed for the practice of funeral service under this chapter, a person must
390 furnish satisfactory evidence to the board that he or she:

391 **(a)** Is at least eighteen (18) years of age;

392 **(b)** Has a high school diploma or the equivalent thereof;

393 **(c)** Has successfully completed twelve (12) months or more of academic and professional
394 instruction from an institution accredited by the United States Department of Education for
395 funeral service education and have a certificate of completion from an institution accredited
396 by the American Board of Funeral Service Education or any other successor recognized by
397 the United States Department of Education for funeral service education;

398 **(d)** Has served as a resident trainee for not less than twelve (12) months, either before or
399 after graduation from an accredited institution mentioned above, under the supervision of a
400 person licensed for the practice of funeral service in this state and in an establishment
401 licensed in this state;

402 **(e)** Has successfully passed the National Conference of Funeral Examiners examination
403 and/or such other examination as approved by the board; and

404 **(f)** Is of good moral character.

405 **(5)** All applications for examination and license for the practice of funeral service or funeral
406 directing shall be upon forms furnished by the board and shall be accompanied by an
407 examination fee, a licensing fee and a nonrefundable application fee in amounts fixed by the
408 board in accordance with Section 73-11-56. The fee for an initial license, however, may be
409 prorated in proportion to the period of time from the date of issuance to the date of biennial
410 license renewal prescribed in subsection (8) of this section. All applications for examination
411 shall be filed with the board office at least sixty (60) days before the date of examination. A
412 candidate shall be deemed to have abandoned the application for examination if he does not
413 appear on the scheduled date of examination unless such failure to appear has been
414 approved by the board.

415 **(6)** The practice of funeral service or funeral directing must be engaged in at a licensed
416 funeral establishment, at least one (1) of which is listed as the licensee's place of business;

and no person, partnership, corporation, association or other organization shall open or maintain a funeral establishment at which to engage in or conduct or hold himself or itself out as engaging in the practice of funeral service or funeral directing until such establishment has complied with the licensing requirements of this chapter. A license for the practice of funeral service or funeral directing shall be used only at licensed funeral establishments; however, this provision shall not prevent a person licensed for the practice of funeral service or funeral directing from conducting a funeral service at a church, a residence, public hall, lodge room or cemetery chapel, if such person maintains a fixed licensed funeral establishment of his own or is in the employ of or an agent of a licensed funeral establishment.

(7) Any person holding a valid, unrevoked and unexpired nonreciprocal license in another state or territory having requirements greater than or equal to those of this state as determined by the board may apply for a license to practice in this state by filing with the board a certified statement from the secretary of the licensing board of the state or territory in which the applicant holds his license certifying to his qualifications and good standing with that board. He/she must also successfully pass a written and/or oral examination on the Mississippi Funeral Service licensing law and rules and regulations as prepared or approved by the board, and must pay a nonrefundable application fee set by the board. If the board finds that the applicant has fulfilled aforesaid requirements and has fulfilled substantially similar requirements of those required for a Mississippi licensee, the board shall grant such license upon receipt of a fee in an amount equal to the renewal fee set by the board for a license for the practice of funeral service or funeral directing, as the case may be, in this state. The board may issue a temporary funeral service or funeral directing work permit before a license is granted, before the next regular meeting of the board, if the applicant for a reciprocal license has complied with all requirements, rules and regulations of the board. The temporary permit will expire at the next regular meeting of the board. The issuance of a license or temporary permit by reciprocity to a military-trained applicant, military spouse or person who establishes residence in this state shall be subject to the provisions of Section 73-50-1 or 73-50-2, as applicable.

(8)

(a) Except as provided in Section 33-1-39, any person holding a license for the practice of funeral service or funeral directing may have the same renewed for a period of two (2) years by making and filing with the board an application on or before the due date. Payment of the renewal fee shall be in an amount set by the board in accordance with Section 73-11-56. The board shall mail the notice of renewal and the due date for the payment of the renewal fee to the last-known address of each licensee at least thirty (30) days before that date. It is the responsibility of the licensee to notify the board in writing of any change of address. An application will be considered late if the application and proper fees are not in the board's office or postmarked by the due date. Failure of a license holder to receive the notice of renewal shall not exempt or excuse a license holder from the requirement of renewing the license on or before the license expiration date.

(b) If the renewal fee is not paid on or postmarked by the due date, the license of such person shall by operation of law automatically expire and become void without further action of the board. The board may reinstate such license if application for licensure is made within a period of five (5) years, upon payment of the renewal fee for the current year, all renewal fees in arrears, and a reinstatement fee. After a period of five (5) years, the

licensee must make application, pay the current renewal fee, all fees in arrears, and pass a written and/or oral examination as prepared or approved by the board.

(9) No license shall be assignable or valid for any person other than the original licensee.

(10) The board may, in its discretion, if there is a major disaster or emergency where human death is likely to occur, temporarily authorize the practice of funeral directing and funeral service by persons licensed to practice in another state but not licensed to practice in this state. Only persons licensed in this state, however, may sign death certificates.

(11) Any funeral service technology or mortuary science program accredited by the American Board of Funeral Service Education in the State of Mississippi, as well as students enrolled in such a program, shall be exempt from licensing under this chapter when embalming or otherwise preparing a deceased human body for disposition as part of a student practicum experience, when the student is directly supervised by an instructor or preceptor who holds a current funeral service license. This exemption shall apply to practicum experiences performed at an accredited institution of funeral service technology or mortuary science program or at a duly licensed funeral establishment or commercial mortuary service. Nothing in this subsection shall be construed to allow any funeral service technology or mortuary science program, or those students enrolled in such a program, to engage in practicum experiences for remuneration.

(12) Each application or filing made under this section shall include the social security number(s) of the applicant in accordance with Section 93-11-64.

§ 73-11-53. Funeral service or funeral director trainee and apprenticeship program; resident traineeship certificate [Repealed effective July 1, 2029].

(1) The State Board of Funeral Service is authorized to establish a trainee and apprenticeship program whereby persons desiring to apprentice as a funeral service or

funeral director trainee may be issued a resident traineeship certificate to practice funeral directing or funeral service under the direct on-premises supervision of a sponsoring Mississippi licensed funeral director or funeral service practitioner.

(2) A person desiring to become a resident trainee for the practice of funeral service or funeral directing shall make application to the board. Such application shall be verified by the licensee under whom the applicant is serving, and shall be accompanied by a nonrefundable application fee in an amount set by the board in accordance with Section 73-11-56. When the board is satisfied as to the qualifications of an applicant, it shall issue a certificate of resident traineeship.

(3) The board shall have the power to suspend or revoke a certificate of a resident traineeship for violation of any provision of this chapter.

(4) A resident trainee must serve the apprenticeship in a funeral establishment that is licensed by the State of Mississippi and the preceptor must be a Mississippi licensed funeral service practitioner or funeral director who is employed by a Mississippi licensed funeral establishment and actively practicing within the State of Mississippi. The funeral service trainee and apprenticeship program shall be completed within no less than twelve (12) months or more than eighteen (18) months under the direct supervision of a funeral director or funeral service licensee of the board. The funeral director trainee and apprenticeship program shall be completed within no less than twelve (12) months or more than eighteen (18) months under the direct supervision of a funeral director or funeral service licensee of the board.

(5) A resident trainee may serve under the supervision of more than one (1) preceptor under conditions established by board rules and regulations. The board may also adopt rules that will allow training at more than one (1) funeral establishment under special circumstances.

(6) A resident traineeship certificate shall be valid for one (1) year. The board may renew a resident traineeship certificate if the trainee applies for renewal on a form provided by the board, shows that the training activity continues to satisfy applicable requirements and pays a renewal fee as set by the board. The fee and application will be considered late if the fee and application are not in the office or show a postmark of December 31. Applications received late may be reinstated by the payment of a renewal fee, a reinstatement fee and other applicable fees. Failure to receive a renewal notice does not exempt a resident trainee from the required renewal of his/her traineeship.

(7) A resident trainee shall not advertise or hold himself out as a funeral director, funeral service practitioner, embalmer or use any other title or abbreviation indicating that the trainee is a funeral director, funeral service practitioner or embalmer. A resident trainee does not have the rights and duties of a funeral director or funeral service licensee and is only authorized to act under the direct supervision of the approved preceptor.

§ 73-11-55. Licensing of funeral establishment; license classifications; exceptions; requirements; applications and fees [Repealed effective July 1, 2029].

(1) No person or party shall conduct, maintain, manage or operate a funeral establishment or branch thereof unless a license for each such establishment has been issued by the board and is conspicuously displayed in such funeral establishment. In case of funeral services held in any private residence, church, cemetery, cemetery chapel, cemetery facility, or lodge hall, no license shall be required.

(2) There shall be four (4) funeral establishment license classifications:

(a) Full-service funeral establishment;

(b) Branch establishment;

(c) Mortuary service establishment; and

(d) Crematory establishment.

(3) To be licensed as a funeral establishment, a place or premise must be at a fixed and specified address or location and must be used for immediate post-death activities, whether used for the custody, shelter, care, preparation and/or embalming of the human dead. Every funeral establishment shall be under the charge and personal supervision of a Mississippi funeral director licensee or a Mississippi funeral service licensee. The licensee in charge and the licensee with personal supervisory responsibilities need not be the same licensee. Each licensed funeral establishment shall be inspected at least once during each licensing period. Such inspections may be unannounced. After inspection of a funeral establishment, if the board cites the funeral establishment for failure to comply with any provision of this chapter or a rule or regulation of the board, the funeral establishment shall resolve the violation to the satisfaction of the board and be in full compliance with this chapter and board rules and regulations not later than thirty (30) days after the board files the inspection report.

(4)

(a) A funeral establishment where embalming is conducted must contain an embalming room with a sanitary floor, walls and ceiling, adequate sanitary drainage and disposal facilities, including running water and exhaust fans. A full-service funeral establishment must also have an adequate casket and/or vault selection room, holding facilities and proper room or rooms in which rites and ceremonies may be held. A funeral establishment shall be subject to an inspection at least once during a two-year license period. Each new establishment must be inspected before the opening. All portions of each facility licensed under this section shall be kept in a clean and sanitary condition.

593 **(b)**

594 **(i)** A branch establishment must contain an office and/or an arrangement room, and a room
595 for viewing and/or a chapel or proper place for ceremonies. A branch establishment need
596 not meet all requirements specified in paragraph (a) of this subsection and need not be
597 under the personal supervision of a Mississippi funeral director licensee or a Mississippi
598 funeral service licensee.

599 **(ii)** If the branch meets all requirements of a funeral establishment as specified in paragraph
600 (a) of this subsection, such establishment must be under the charge and personal
601 supervision of a Mississippi funeral director licensee or a Mississippi funeral service licensee.

602 **(c)** A commercial mortuary service is a funeral establishment that embalms and transports
603 for licensed funeral establishments and does not sell any services or merchandise directly or
604 at retail to the public. A mortuary service establishment shall not arrange or conduct a
605 funeral or direct burial. A mortuary service establishment may arrange for and transport
606 dead human bodies for direct cremation purposes only under the following circumstances:

607 **(i)** On behalf of a full-service funeral establishment;

608 **(ii)** On behalf of a branch funeral establishment; or

609 **(iii)** At the direction of a public administrator, medical examiner, coroner or any other public
610 official charged with arranging the final disposition of dead human bodies.

611 **(d)** A crematory establishment shall have the authority to cremate dead human bodies and
612 to transport dead human bodies to and from the establishment and shall meet the
613 requirements of Section 73-11-69. An establishment licensed only as a crematory
614 establishment is prohibited from the care and preparation of dead human bodies other than
615 by cremating and shall also be prohibited from embalming, making funeral arrangements or
616 cremation arrangements with any person or party that is not licensed by the board,
617 conducting visitations and funeral ceremonies, and furnishing any funeral service in
618 connection with the disposition of dead human bodies or selling funeral merchandise.

619 **(5)** Applications for funeral establishment licenses, branch establishment licenses or
620 commercial mortuary service licenses shall be made on blanks furnished by the board and
621 shall be accompanied by a fee in an amount fixed by the board under Section 73-11-56. All
622 establishment licenses shall be issued for a period of two (2) years, except initial licenses
623 may be prorated from the date of issuance to the next renewal date.

624 Renewal funeral establishment and branch establishment license applications and license
625 fees shall be due and payable to the board on or before the expiration date of the license.
626 The board shall mail the notice of renewal and the due date for payment of the renewal fee
627 at least thirty (30) days before that date. Failure of the license holder to receive the notice
628 of renewal shall not exempt or excuse the holder from the requirement of renewing the
629 license on or before the license expiration date.

630 **(6)** If the renewal fee is not paid on or postmarked by the due date, the license shall by
631 operation of law automatically expire and become void without further action of the board.
632 All establishments whose licenses have expired under this section may be reinstated by
633 filing with the board an application for reinstatement, submitting to an inspection during
634 which time the licensee in charge of such establishment shall be interviewed by the board or
635 its designee and by paying all renewal fees, a reinstatement fee, and other applicable fees.

(7) No license shall be assignable or transferable or valid for any establishment other than the original licensee. License fees and application fees are nonrefundable.

(8) A license for each new establishment shall not be issued until an inspection has been made, license and inspection fees have been paid, and the licensee in charge and/or owners of such establishment has been interviewed by the board or its designee.

(9) The board is authorized to establish rules and regulations for the issuance of a special funeral establishment work permit.

802 promulgated by the Federal Trade Commission relative to the practice of funeral service or
803 funeral directing.

804 **(2)** Any person, including a member of the board, may initiate a complaint against a
805 licensee of the board by filing with the board a written complaint on a form prescribed by
806 the board.

807 **(a)** Upon receipt of a properly verified complaint, the board shall send a copy of the
808 complaint to the affected licensee by certified mail to the address of such licensee appearing
809 of record with the board. The licensee shall answer the complaint in writing within twenty
810 (20) days after receipt of the complaint. The licensee shall mail a copy of his, her or its
811 response to the board and the complainant. Upon receipt of the licensee's response or lapse
812 of twenty (20) days, the board is authorized to investigate a complaint that appears to show
813 the existence of any of the causes or grounds for disciplinary action as provided in Section
814 73-11-57. Upon finding reasonable cause to believe that the charges are not frivolous,
815 unfounded or filed in bad faith, the board may, in its discretion, cause a hearing to be held,
816 at a time and place fixed by the board, regarding the charges that a violation of this chapter
817 has occurred. The board shall order a hearing for the licensee to appear and show cause
818 why he/she should not be disciplined for a violation of this chapter.

819 **(b)** The board shall give the complainant and the affected licensee twenty (20) days' notice
820 of any hearing upon a complaint. Such notice shall be by United States certified mail.

821 **(c)** Any party appearing before the board may be accompanied by counsel.

822 **(d)** Before commencing a hearing, the chairman or designee of the board shall determine if
823 all parties are present and ready to proceed. If the complainant fails to attend a hearing
824 without good cause shown, the complaint shall be dismissed summarily and all fees and
825 expenses of convening the hearing shall be assessed to, and paid by, the complainant. If
826 any affected licensee fails to appear for a hearing without good cause shown, such licensee
827 shall be presumed to have waived his right to appear before the board and be heard.

828 (e) Upon the chair's determination that all parties are ready to proceed, the chair or
829 designee shall call the hearing to order and the complainant and the licensee may give
830 opening statements. The board may order the sequestration of nonparty witnesses.

831 (f) The complainant shall then present his, her or its complaint. The licensee, any counsel
832 and any member or designee of the board may ask questions of witnesses.

833 (g) The licensee shall then present his, her or its case in rebuttal. The complainant, any
834 counsel and any member or designee of the board may ask questions of witnesses.

835 (h) At the completion of the evidence, all parties may give closing statements.

836 (i) At the conclusion of the hearing, the board may either decide the issue at that time or
837 take the case under advisement for further deliberation. The board shall render its decision
838 not more than ninety (90) days after the close of the hearing and shall forward the decision
839 to the last-known business or residence address of the parties.

840 (3) The board, on its own motion, may file a formal complaint against a licensee.

841 (4) The board may temporarily suspend a license under this chapter without any hearing,
842 simultaneously with the institution of proceedings under this section, if it finds that the
843 evidence in support of the board's determination is clear, competent and unequivocal and
844 that the licensee's continuation in practice would constitute an imminent danger to public
845 health and safety.

846 (5) The board may, upon satisfactory proof that the applicant or licensee has been guilty of
847 any of the offenses above enumerated, take the action authorized by this section against an
848 applicant or licensee of the board upon a majority vote of the board members, after a
849 hearing thereon. The board is vested with full power and authority to hold and conduct such
850 hearings, compel the attendance of witnesses and the production of books, records and
851 documents, issue subpoenas therefor, administer oaths, examine witnesses, and do all
852 things necessary to properly conduct such hearings. The board may waive the necessity of a
853 hearing if the person accused of a violation admits that he has been guilty of such offense.
854 Any person who has been refused a license or whose license has been revoked or
855 suspended may, within thirty (30) days after the decision of the board, file with the board a
856 written notice stating that he feels himself aggrieved by such decision and may appeal
857 therefrom to the circuit court of the county and judicial district of residence of the person, or
858 if the person is a nonresident of the State of Mississippi, to the Circuit Court of the First
859 Judicial District of Hinds County. The circuit court shall determine the action of the board
860 was in accord or consistent with law, or was arbitrary, unwarranted or an abuse of
861 discretion. The appeal shall be perfected upon filing notice of the appeal with the circuit
862 court and by the prepayment of all costs, including the cost of the preparation of the record
863 of the proceedings by the board. An appeal from the circuit court judgment or decree may
864 be reviewed by the Supreme Court as is provided by law for other appeals. An appeal of a
865 decision or order of the board does not act as a supersedeas.

866 (6) In addition to any other power that it has, the board may, upon finding that an applicant
867 or licensee has committed any of the violations listed in Section 73-11-57(1), impose a
868 monetary penalty as follows:

869 (a) For the first violation of any of the subparagraphs of subsection (1) of this section, a
870 monetary penalty of not more than Five Hundred Dollars (\$500.00).

871 **(b)** For the second violation of any of the subparagraphs of subsection (1) of this section, a
872 monetary penalty of not more than One Thousand Dollars (\$1,000.00).

873 **(c)** For the third and any subsequent violation of any of the subparagraphs of subsection (1)
874 of this section, a monetary penalty of not more than Five Thousand Dollars (\$5,000.00).

875 **(d)** For any violation of any of the subparagraphs of subsection (1) of this section, those
876 reasonable costs that are expended by the board in the investigation and conduct of a
877 proceeding for licensure revocation or suspension, including, but not limited to, the cost of
878 process service, court reporters, expert witnesses and investigators.

879 **(7)** The power and authority of the board to assess and levy such monetary penalties
880 hereunder shall not be affected or diminished by any other proceeding, civil or criminal,
881 concerning the same violation or violations except as provided in this section.

882 **(8)** A licensee shall have the right of appeal from the assessment and levy of a monetary
883 penalty as provided in this section under the same conditions as a right of appeal is
884 provided elsewhere for appeals from an adverse ruling, order or decision of the board.

885 **(9)** Any monetary penalty assessed and levied under this section shall not take effect until
886 after the time for appeal shall have expired.

887 **(10)** A monetary penalty assessed and levied under this section shall be paid to the board by
888 the licensee upon the expiration of the period allowed for appeal of such penalties under this
889 section or may be paid sooner if the licensee elects.

890 With the exception of subsection (5)(d) of this section, monetary penalties collected by the
891 board under this section shall be deposited in the State Treasury to the credit of the State
892 Board of Funeral Service. Any monies collected by the board under subsection (5)(d) of this
893 section shall be deposited into the special fund operating account of the board.

894 **(11)** When payment of a monetary penalty assessed and levied by the board against a
895 licensee in accordance with this section is not paid by the licensee when due under this
896 section, the board shall have power to institute and maintain proceedings in its name for
897 enforcement of payment in the chancery court of the county and judicial district of residence
898 of the licensee, or if the licensee is a nonresident of the State of Mississippi, in the Chancery
899 Court of the First Judicial District of Hinds County, Mississippi.

900 **(12)** In any administrative or judicial proceeding in which the board prevails, the board shall
901 have the right to recover reasonable attorney fees.

902 **(13)** In addition to the reasons specified in subsection (1) of this section, the board shall be
903 authorized to suspend the license of any licensee for being out of compliance with an order
904 for support, as defined in Section 93-11-153. The procedure for suspension of a license for
905 being out of compliance with an order for support, and the procedure for the reissuance or
906 reinstatement of a license suspended for that purpose, and the payment of any fees for the
907 reissuance or reinstatement of a license suspended for that purpose, shall be governed by
908 Section 93-11-157 or 93-11-163, as the case may be. Actions taken by the board in
909 suspending a license when required by Section 93-11-157 or 93-11-163 are not actions
910 from which an appeal may be taken under this section. Any appeal of a license suspension
911 that is required by Section 93-11-157 or 93-11-163 shall be taken in accordance with the
912 appeal procedure specified in Section 93-11-157 or 93-11-163, as the case may be, rather
913 than the procedure specified in this section. If there is any conflict between any provision of

Section 93-11-157 or 93-11-163 and any provision of this chapter, the provisions of Section 93-11-157 or 93-11-163, as the case may be, shall control.

§ 73-11-57.1. Authority to revoke, refuse to renew, suspend or place on probation license of funeral home establishment or director under certain circumstances [Repealed effective July 1, 2029].

The State Board of Funeral Service may revoke, refuse to renew, suspend or place on probation the license of a funeral home establishment or funeral director, or both, if the funeral home or funeral director accepts funds for a preneed funeral contract or other prepayment of funeral expenses without a registration to sell preneed funeral contracts; or is registered to sell preneed funeral contracts and fails to deposit the funds in trust or to timely remit premium payments from consumers to the insurer as provided in Section 75-63-59 and Section 75-63-61, respectively.

The State Board of Funeral Service shall make written notification to the Secretary of State of all license suspensions and revocations issued by the board as well as written notification for all new licenses issued by the board. The Secretary of State shall make written notification to the board of all registration suspensions, revocations, orders of cease and desist, and administrative penalties imposed by the Secretary of State under Article 3, Chapter 11, Title 73, Mississippi Code of 1972.

§ 73-11-57.2. License required to be funeral service, funeral director or certified crematory operator; violations.

(1) No person or entity shall engage in any activity for which a license is required under this chapter, without holding such licensure in good standing.

(2) A person may not be, act as, or advertise or hold himself or herself out to be a funeral service, a funeral director, or a certified crematory operator unless he or she is currently licensed by the board.

(3) When the board has reasonable cause to believe that any person or entity not licensed under this chapter has violated any provision of this chapter or any rule adopted under this chapter, the board may issue an administrative complaint to such person or entity, alleging violation of this chapter and providing notice therein of intent by the board to order such person to cease and desist from the alleged violation of this chapter, to take corrective action, including payment of restitution to persons adversely affected by the violation, to pay the board's reasonable costs of investigation and prosecution, or to impose a fine of up to Five Thousand Dollars (\$5,000.00) upon such person for each violation of this chapter alleged in the administrative complaint.

When issuing an administrative complaint to such person or entity, the board shall order a hearing for the subject individual or entity to appear and show cause why he/she should not be disciplined for a violation of this chapter. Any party appearing before the board may be accompanied by counsel. The board is vested with full power and authority to hold and conduct such hearings, compel the attendance of witnesses and the production of books, records and documents, issue subpoenas therefor, administer oaths, examine witnesses, and do all things necessary to properly conduct such hearings.

(4) Where the board determines that an emergency exists regarding any violation of this chapter by any unlicensed person or entity, the board may issue and serve an emergency order upon such unlicensed person or entity. Such an emergency order may impose such prohibitions and requirements as are reasonably necessary to protect the public health, safety and welfare. Such emergency order shall be effective on the date of service on the unlicensed person or entity.

(a) For the purpose of enforcing such an emergency order, the board may file in circuit court for an injunction or other order seeking enforcement of the emergency order. The court shall issue its injunction or other order enforcing the emergency order pending administrative resolution of the matter under subsection (3) of this section, unless the court determines that such action would work a manifest injustice under the circumstances. Venue for judicial actions under this section shall be, at the election of the board, in the Circuit Court of Rankin County or in a circuit court of a county where the respondent resides or has a place of business.

(b) After serving an emergency order on any person or entity, the board shall within ten (10) days issue and serve upon the same person or entity an administrative complaint as set forth in subsection (3) of this section, except that, absent order of a court to the

contrary, the emergency order will be effective throughout the pendency of proceedings under subsection (3) of this section.

(5) For the purpose of this section, the violation of this chapter by a person who is not licensed under this chapter or by any person who aids and abets the unlicensed activity shall be presumed to be irreparable harm to the public health, safety, or welfare.

(6) Any administrative complaint or emergency order under this section may be served in person by a board employee or by certified mail, return receipt requested, to the subject's place of residence or business, or by other means authorized by law.

(7) An aggrieved party shall have the right of appeal from the assessment and levy of a monetary penalty as provided in this section under the same conditions as a right of appeal is provided elsewhere for appeals from an adverse ruling, order or decision of the board.

§ 73-11-58. Execution of Self-Directed Disposition Authorization document; procedure for disposition of decedent's body where no written authorization was left by decedent; persons adjudicated responsible for decedent's death precluded from deciding disposition of remains. [Repealed effective July 1, 2029].

(1) Residents of the state shall have the right to direct their own disposition without interference from others, regardless of their relationship. This right of self-authorization can be executed through the use of the Self-Directed Disposition Authorization document. This document shall supersede the wishes and rights commonly executed by the next of kin. If a decedent has left no written authorization for the cremation and/or disposition of the decedent's body as permitted by law, any of the following persons, in the order of priority listed below, may authorize any lawful manner of disposition of the decedent's body by completion of a written instrument:

(a) The person designated by the decedent as authorized to direct disposition pursuant to Public Law No. 109-163, Section 564, as listed on the decedent's United States Department of Defense Record of Emergency Data, DD Form 93, or its successor form, if the decedent died during military service, as provided in 10 USC Section 1481(a)(1) through (8), in any branch of the United States Armed Forces, United States Reserve Forces or National Guard.

- 1041 **(b)** The surviving spouse.
- 1042 **(c)** A surviving child who is at least eighteen (18) years of age.
- 1043 **(d)** A grandchild who is at least eighteen (18) years of age.
- 1044 **(e)** Either surviving parent.
- 1045 **(f)** A surviving sibling who is at least eighteen (18) years of age.
- 1046 **(g)** A person acting as a representative of the decedent under a signed authorization of the
1047 decedent.
- 1048 **(h)** The guardian of the person of the decedent at the time of the decedent's death, if a
1049 guardian has been appointed.
- 1050 **(i)** A person in the class of the next degree of kinship, in descending order, who, under state
1051 law, would inherit the decedent's estate if the decedent died intestate and who is at least
1052 eighteen (18) years of age.
- 1053 **(j)** A person who has exhibited special care and concern for the decedent and is willing and
1054 able to make decisions about the cremation and disposition.
- 1055 **(k)** In the case of individuals who have donated their bodies to science or whose death
1056 occurred in a nursing home or private institution and in which the institution is charged with
1057 making arrangements for the final disposition of the decedent, a representative of the
1058 institution may serve as the authorizing agent in the absence of any of the above.
- 1059 **(l)** In the absence of any of the above, any person willing to assume responsibility for the
1060 cremation and disposition of the decedent.
- 1061 **(m)** In the case of indigents or any other individuals whose final disposition is the
1062 responsibility of the state or any of its instrumentalities, a public administrator, medical
1063 examiner, coroner, state-appointed guardian, or any other public official charged with
1064 arranging the final disposition of the decedent may serve as the authorizing agent.
- 1065 **(2)** The provisions of subsection (1) of this section shall not apply to any listed person,
1066 regardless of priority, when that person has been finally adjudicated by a court of
1067 competent jurisdiction to be at fault for the decedent's death, whether that liability be
1068 criminal or civil. Such persons shall be barred and precluded from deciding the disposition of
1069 the decedent's body.
- 1070 **(a)** Upon motion by the state or any person listed in subsection (1) of this section in the
1071 chancery court of the county of the decedent's residence, the chancellor shall designate the
1072 next available person listed in subsection (1) of this section and such person may then
1073 authorize any lawful manner of disposition of the decedent's body by completion of a written
1074 instrument.
- 1075 **(b)** If a criminal prosecution arising from the decedent's death is actively ongoing at the
1076 time of the disposition of the decedent's remains, the chancellor may request a bond be
1077 filed with the court in the sum of Five Thousand Dollars (\$5,000.00) by the moving party
1078 before granting the motion.
- 1079 **(3)** No funeral establishment shall accept a dead human body from any public officer or
1080 employee or from the official of any institution, hospital or nursing home, or from a

physician or any person having a professional relationship with a decedent, without having first made due inquiry as to the desires of the persons who have the legal authority to direct the disposition of the decedent's body. If any persons are found, their authority and directions shall govern the disposal of the remains of the decedent. Any funeral establishment receiving the remains in violation of this subsection shall make no charge for any service in connection with the remains before delivery of the remains as stipulated by the persons having legal authority to direct the disposition of the body. This section shall not prevent any funeral establishment from charging and being reimbursed for services rendered in connection with the removal of the remains of any deceased person in case of accidental or violent death and rendering necessary professional services required until the persons having legal authority to direct the disposition of the body have been notified.

(4) A person who does not exercise his or her right to dispose of the decedent's body under subsection (1) of this section within five (5) days from the date of the death shall be deemed to have waived his or her right to authorize disposition of the decedent's body or contest disposition in accordance with this section. If, during the aforesaid time period, the funeral director, funeral service practitioner and/or funeral establishment has been provided contrary written consent from members of the same class with the highest priority as to the disposition of the decedent's body, the licensed funeral director or service practitioner or funeral establishment shall act in accordance with the directive of the greatest number of consents received from members of the class. If that number is equal, the funeral director or funeral service practitioner and/or the funeral establishment shall act in accordance with the earlier consent unless the person(s) providing the later consent is granted an order from a court of competent jurisdiction in which the funeral establishment is located, and such order will be filed and paid for by the family of the deceased within twenty (20) days from the date of death.

(5) If no consent for the embalming, cremation or other disposition of a dead human body from any of the relatives or interested persons or institutions listed above in subsection (1) of this section is received within ten (10) days of the decedent's death, the coroner for, or other person designated by, the county in which the funeral establishment is located is authorized to sign the consent authorizing the disposition of the decedent's remains.

(6) If none of the parties listed above in subsection (1) of this section is financially capable of providing for the cremation, embalming or disposition of a dead human body, the coroner for, or other person designated by, the county in which the funeral establishment is located is authorized to sign the consent authorizing the disposition of the decedent's remains.

(7) The licensed funeral director, funeral service practitioner or funeral establishment shall have authority to control the disposition of the remains of a decedent and proceed to recover the costs for the disposition when: (a) none of the persons or parties described above in subsection (1)(a) through (l) assume responsibility for the disposition of the remains, and (b) the coroner or other public official designated in subsection (1)(m) fails to assume responsibility for disposition of the remains within seven (7) days after having been given written notice of the facts. Written notice may be made by personal delivery, United States mail, facsimile or transmission. The method of disposition must be in the least costly and most environmentally sound manner that complies with law, and that does not conflict with known wishes of the decedent.

(8) A funeral director, funeral service and/or funeral establishment licensee acting in accordance with this section, or attempting in good faith to act in accordance with this

section, shall not be subject to criminal prosecution or civil liability for carrying out the otherwise lawful instructions of the person or persons described in this section.

(9) The liability for the reasonable cost of the final disposition of the remains of the decedent devolves upon the individual or entity authorizing the disposition and/or upon the estate of the decedent and, in cases when the county board of supervisors has the right to control the disposition of the remains under this section, upon the county in which the death occurred.

(1) Every person, establishment or company not licensed under this chapter that sells caskets at retail shall register annually with the board. § 73-11-69. Licensing and regulation of crematory facilities [Repealed effective July 1, 2029].

(1) No person or party shall conduct, maintain, manage or operate a crematory unless a license for each such crematory has been issued by the board and is conspicuously displayed in such crematory.

(2) The operator of a crematory facility shall issue a certificate of cremation to the family of each person cremated in the facility. In addition, the operator of the crematory facility shall maintain a log of all cremations performed in the facility, and this log shall match the certificates of cremation that have been issued by the facility.

(3) No operator of a crematory facility shall knowingly represent that an urn or temporary container contains the recovered cremated remains of specific decedent or of body parts removed from a specific decedent when it does not. This subsection does not prohibit the making of such a representation because of the presence in the recovered cremated remains of de minimis amounts of the cremated remains of another decedent or of body parts.

(4) The board shall inspect each licensed crematory facility during each licensure period, and at such other times as necessary, to verify that the crematory facility is in compliance with the requirements of this section. Any person who operates a crematory facility in this state without a license, or any person who otherwise violates any provision of this section, is guilty of a felony. (5) If the retort of a crematory becomes in need of repair, then the operator of the crematory shall notify the board in writing and by telephone within forty-eight (48) hours of discovery of the need to repair, and no cremation shall be made from the time of discovery until satisfactory proof is provided to the board that the repair has been made.

(6) The board may promulgate such rules and regulations as deemed necessary for the proper licensure and regulation of crematory facilities in this state. Such rules and regulations shall include, but not be limited to, the following: crematory facility requirements, identification of deceased human beings, cremation process, processing of remains, commingling of human remains, disposition of cremated remains, removal of human remains and proper documentation requirements as prescribed by state agencies.

(7) Any crematory or funeral establishment may dispose of any remains unclaimed by the family after twelve (12) months after cremation by scattering or burial.

(8) The crematory retort operator must be a certified crematory operator as defined in Section 73-11-41.

(9) No crematory facility licensed by the board shall be used for the cremation of deceased animals.
