CONCLUSIONS OF LAW

1. The Board has jurisdiction over the Respondents and the subject matter in this case pursuant to Sections 73-11-49 and 73-11-57 of the Mississippi Code of 1972, as amended¹. Venue is likewise properly placed before the Board to consider this matter at its office in Flowood, Rankin County, Mississippi.

2. All substantive and procedural requirements under law have been met by the Board. This matter is, therefore, properly before the Board.

3. The Board is authorized by Section 73-11-49 to adopt such rules and regulations as it finds necessary for the licensure and regulation of the business and practices of funeral directing and funeral service.

4. Upon a finding that Respondents are guilty of any of the acts set forth under Section 73-11-57, the Board is authorized to refuse to issue or renew any license, suspend a license, place a license on probation, impose a monetary penalty and/or take any other action as the Board deems proper in relation to a license.

5. Having considered all the evidence and Respondents' own admissions and representations in this matter, the Board has determined that the evidence clearly and convincingly establishes a cause for discipline against the Respondent. Around May 30, 2023 Respondents entered a relationship with Al Creath to allow Creath to operate Creath's own unlicensed funerary service provider; Creath Memorial Funeral Home. Under this arrangement Creath used the licenses of the Respondents to provide funerary services including; soliciting families, collecting bodies, housing bodies, and operating the disposition services. Neither Creath himself nor Creath Memorial had a license issued by the Board. Respondents wrote in the death certificates for these bodies that the Respondents were both the funeral director and the only funeral home that was given custody of the bodies, but in truth Creath and Creath Memorial were the funeral director and establishment, respectively. These acts and omissions of the Respondents are in violation of Miss. Code section 73-11-57(1) subsections (f), (l), (m), and (p)(ii), (iv), and (v). These sections provide:

(f): "The permitting of a person other than a funeral service or funeral directing licensee to make arrangements for a funeral and/or form of disposition;"

(l): "Knowingly performing any act that in any way assists an unlicensed person to practice funeral service or funeral directing;"

(m): "Knowingly making a false statement on death certificates;"

(p)(ii): "Knowingly performing any act which in any way assists an unlicensed person to practice funeral service or funeral directing;"

(iv): "Any act or omission in the practice of funeral service or directing which constitutes dishonesty, fraud or misrepresentation with the intent to benefit the licensee,

¹ Unless indicated otherwise, all statutory references are to the Mississippi Code of 1972, as amended.

another person or funeral establishment, or with the intent to substantially injure another person, licensee or funeral establishment;" and

(v): "Any act or conduct, whether the same or of a different character than specified above, which constitutes or demonstrates bad faith, incompetency or untrustworthiness; or dishonest, fraudulent or improper dealing; or any other violation of the provisions of this chapter, the rules and regulations established by the board or any rule or regulation promulgated by the Federal Trade Commission relative to the practice of funeral service or funeral directing."

6. By such conduct the Respondents further failed to comply with the laws, rules and regulations governing funeral establishments and the practice of funeral directing and/or funeral service in the State of Mississippi in violation of Section 73-11-57(1)(g).

Respondents agree and consent, and the Board finds and concludes that the following is the just and appropriate disposition under the circumstances of this case.
